Exceptional Parents Unlimited 50

JOIN US BY BECOMING A SPONSOR

We invite you to become a **Gala of Light Sponsor** and play a meaningful role in changing the lives of children and their families at Exceptional Parents Unlimited. Because of you, families seeking strength and guidance are met with compassion, expertise, and support tailored to their individual journey. Your partnership helps ensure that children facing developmental challenges have access to wraparound care, specialized services, and the opportunity to reach their full potential.

Gala of Light is a celebration of hope and impact — a special evening that brings together community leaders, advocates, and supporters who share a commitment to uplifting families across the Central Valley and beyond. Together, we reflect on the lives transformed through your generosity, the progress achieved by the children and families we serve, and the futures made possible because of your support.

As we celebrate **EPU's 50th Anniversary**, your sponsorship carries even greater significance. For five decades, EPU has walked alongside families, providing guidance, connection, and life-changing services. This milestone year honors the legacy you have helped build — and looks ahead to the work still to come.

Thank you for your consideration and for standing with EPU. We look forward to sharing an inspiring and heartwarming evening with you.

ABOUT EXCEPTIONAL PARENTS UNLIMITED, INC.

Exceptional Parents Unlimited (EPU) is a nonprofit community-based organization dedicated to guiding and strengthening children with unique needs and the families who support them. Through early intervention, parent education, and a wide range of supportive services, EPU provides families with the tools, confidence, and connection they need to thrive.

Since its founding in 1976, EPU has grown to serve families across 12 counties throughout Central California, with offices in Fresno, Clovis, Hanford, Madera, Merced, and Mariposa. For 50 years, EPU has remained rooted in the vision that families are the safe place for children with unique needs to find love, belonging, guidance, and support.

Each year, Exceptional Parents Unlimited brings our community together to shine a light on those we serve and those who bring hope to others. We are excited to announce our outstanding 2026 honorees, who are dedicated to bettering the lives of children through their actions, principles, and messages of hope.

BEACON OF HOPE AWARD:

The EPU "Originals"

As EPU celebrates 50 years of serving families and children with unique needs, we are honored to recognize the "Originals," some of the very first babies and their families who became part of EPU's foundational story. These parents of children with Down syndrome belonged to a support group, and together with EPU's founder envisioned a parent-led organization that could help families like theirs. Today, EPU broadly serves children with developmental, physical, behavioral, and emotional needs. The legacy of the Originals taught EPU that all children deserve unique care and support to address individual journeys. We are proud to celebrate the Originals who remind us that the light sparked in EPU's earliest days continues to shine.

HOPE GROWS HERE AWARD:

Ability Central

ABILITY CENTRAL

Sharing ideas, improving access.

Hope grows when communities have the resources and support to create meaningful change. Ability Central is recognized for its commitment to advancing accessibility and expanding opportunities for people who are Deaf, disabled, and neurodivergent. Through grantmaking, collaboration, and investment, Ability Central has helped EPU expand speech and communication strategies – including group speech therapy, customized assistive technology, and family coaching – for young children to express their wants, needs, and ideas. This partnership has strengthened EPU's capacity to build a more accessible and inclusive future. We are honored to celebrate Ability Central and the hope that grows from investing in people, possibilities, and stronger communities.
